Sample Itinerary:

Day 1 - Travel to upstate New York.

Day 2 - Continental breakfast. Continue into Vermont enjoying the spectacular fall colors. This afternoon board the Green Mountain Flyer and go back to the days when train travel was the only way to go. Built in the 1850's, these lines still serve the Green Mountain Railroad and Amtrak. Climb aboard and take a scenic journey through the picturesque southern Vermont countryside in restored coaches pulled by a vintage diesel locomotive. Travel along the Connecticut and Williams Rivers with spectacular views of Brockway Mills Gorge and two historic covered bridges. Arrive in White River Junction for our overnight with incredible, panoramic views of the countryside.

Day 3 - After breakfast stop at Quechee Gorge, "Vermont's Little Grand Canyon" and have some leisure time in the quaint village of Woodstock. Continue north through the spectacular New Hampshire countryside stopping at the Flume Gorge, a natural gorge with amazing waterfalls, vistas and covered bridges. Arrive in Lincoln, New Hampshire for our next three nights. A special evening is planned on the Cafe Lafayette Dinner Train as we invite you to escape the ordinary and relive the romance of dining on the rails. Experience a five course dinner served to you in the Grand European manner while riding in beautifully restored Pullman dining cars. With magnificent mountain vistas and lush New England forests, you are assured of a 5-star memorable evening.

Day 4 - A day trip to stunning Lake Winnepesaukee combines a scenic rail excursion with a delightful afternoon boat cruise. Board the Winnepesaukee Scenic Railroad for an unsurpassed look at the lakeside scenery along the shores of Lake Winnepesaukee. The fabulous New Hampshire fall colors surround us on this excursion. This afternoon board the MS Mount Washington for a two hour scenic cruise on New Hampshire's largest lake. Autumn is a special time in the Lakes Region and travelers come from hundreds of miles to enjoy the splendor of New Hampshire's foliage. Late afternoon return to our hotel.

Day 5 - Prepare for a thrilling morning aboard the Mount Washington Cog Railway, the world's first mountain climbing Cog Railway. The ever-changing surroundings, the magnificent views, the sights and sounds of unique steam locomotives in action, and some of the steepest railway tracks in existence, combine to place it among the best of the world's great railway journeys. Some days the view from the summit spans four states, Quebec and the Atlantic Ocean, limited only by the curvature of the earth. Other days you literally climb above the clouds. Join us for a fascinating journey and truly an unforgettable rail excursion. This afternoon spend some leisure time exploring the charming village of North Conway. This quaint mountain town is lined with specialty boutiques, lovely shops, art galleries and several fine eateries for lunch on your own. Return late afternoon to our hotel.

Day 6 - Cross countrying through New Hampshire and Vermont's scenic byways allows us another opportunity to witness the impressive fall foliage. Our destination is Lake George, New York. This afternoon enjoy a fall color cruise on Lake George, "The Queen of American Rivers". We'll overnight at the first class Georgian Resort located directly on Lake George. Highlight our stay with a dinner theatre performance at our resort.

Day 7 - One of New York's treasures is the village of Saratoga Springs. With a history that dates back to the Revolutionary War, Saratoga is an upscale community with wonderful attractions. Get acquainted with the unmatched majestic landscape, stunning architecture and historical significance of this peaceful town on a brief sightseeing tour. You'll have some time at your leisure to stroll the charming street with quaint boutiques, galleries, specialty shops and lovely sidewalk cafes. Our last overnight is in Auburn, New York.

Day 8 - Head homeward with fond memories.
